Summary

Aspiring Full Stack Developer with a strong foundation in JavaScript, Node.js, and Express.js. Skilled in developing scalable web applications, designing RESTful APIs, and implementing efficient CRUD operations. Experienced with MongoDB and MySQL, along with solid knowledge of data structures, DBMS, and operating systems. Adept at building responsive, user-centric interfaces and optimizing application performance.

Skills

Programming Languages: C, C++, JavaScript (ES6+), Java

Frontend Development: HTML5, CSS3, Tailwind CSS, Responsive Web Design

Backend Development: Node.js, Express.js, RESTful APIs, CRUD Operations

Databases: MongoDB, MySQL

Core CS: Data Structures & Algorithms, DBMS, Operating Systems

Tools & Platforms: Git, GitHub, Postman, API Testing

Projects

Amazon Clone

Oct 2025

- Engineered a responsive e-commerce interface with structured layouts and seamless navigation.
- Developed reusable UI components including product cards and banners.
- Implemented Flexbox and CSS Grid for cross-device compatibility.
- Optimized code structure for improved scalability and performance.

Myntra Clone

Jan 2026

- Built a dynamic e-commerce application with product listing and filtering functionality.
- Integrated add-to-cart features to enhance user experience.
- Optimized DOM operations to improve responsiveness and speed.
- Designed a mobile-first interface ensuring cross-browser compatibility.

Portfolio Website

2025

- Created a fully responsive portfolio to showcase projects and technical skills.
- Designed an intuitive UI with smooth navigation and interactive elements.
- Improved performance and ensured cross-browser compatibility.
- Deployed the application to establish an online professional presence.

Certificates

- Data Structures & Algorithms — Simplilearn
- Networking Basics — Cisco
- FrontEnd Development — Simplilearn
- AI Tools Workshop — Be10x
- Node.js Fundamentals – Scaler (REST APIs, Backend Development)
- Python Programming – DataCamp (Data Handling, Functions)
- Fundamentals of Linux – Red Hat
- Networking Basics – Cisco
- Cybersecurity Fundamentals – Cisco

Education

Master of Computer Applications (MCA)

2025 – 2027

Geeta University, Panipat

CGPA: 8.9

Bachelor of Computer Applications (BCA)

2022 – 2025

DAV PG College, Karnal

CGPA: 7.0
